The directors present their report and the audited financial statements for the year ended 30 September 2024.

About Galway University Foundation

Vision

Since its establishment in 1998, Galway University Foundation CLG ("the Foundation") has been engaged in generating financial support for the University of Galway's programmes and activities from a range of private individuals and institutions. A core part of our work is in nurturing lasting relationships with donors who share the University of Galway's vision for the future.

Mission

The mission of the Foundation is to raise philanthropic funding in support of the objectives of the University of Galway. We gratefully acknowledge all of the visionary and generous individuals and organisations who have supported our activities in the year ended 30 September 2024. Their support, and the support of donors over many years, has transformed the University of Galway campus, supported our students and funded life-changing research.

Strategy

The Foundation's strategy is aligned with the University of Galway strategic plan 2020 – 2025. During FY2024, the Foundation worked with University of Galway to implement its five year fundraising campaign to support the strategic objectives of the University. The current fundraising campaign is the core part of the Foundation's strategic plan for the period 2022-2026.

Activities in FY2024:

Due to successful donor engagement and support, the Foundation was able to provide substantial financial support for the following University of Galway projects in FY2024:

Student Scholarships Medical Research Research Programmes Student Sports Research Lectureships Capital Projects

Financial Review

The results for the year are set out in the Statement of Financial Activities on page 13.

Incoming Resources

Total income for FY2024 was €6.72M (FY2023: €3.44M) which comprised of:

- Donor Income of €6.56M (FY2023: €3.39M)
- Interest & Similar Income of €156K (FY2023: €52K)

Expenditure

Total expenditure in FY2024 was €4.53M (FY2023: €2.81M)

- 98% (FY2023: 98%) of expenditure FY2024: €4.45M (2023: €2.75M)) related to Charitable Activities and comprised of the following:
 - Transfers to University of Galway projects €4.44M (FY2023: €2.74M)
 - Scholarship Payment: €3K (FY2023: €Nil)
 - Operating expenses Other Charitable activities €12K (FY2023: €15K)

Beneficiaries of Charitable Expenditure included Medical Research, Student Scholarships, Research Programmes and Capital Projects at University of Galway

Other Expenditure related to Fundraising costs which totalled €59K (FY2023: €51K). Management services were provided by the University of Galway under a service level agreement and costs in 2024 under this agreement amounted to €Nil (FY2023: €Nil).

for the year ended 30 September 2024

The movement on investments at fair value resulted in a gain of €744k (FY2023: gain €0.18M).

As has been the practice, the Foundation funds its operating expenses through the retention of interest and investment income. The Foundation also makes grants to projects from surplus investment income.

The net income for the year after providing for depreciation amounted to €2,936,437 (FY2023: €813,301).

At the end of the year, the group had fixed and current assets of €18,634,827 (FY2023: €14,149,053) and liabilities of €4,363,441 (FY2023: €2,759,743). Following transfers to projects the net assets of the group have increased by €2,882,076 (FY2023 increase: €715,982).

Cashflow, Bank and Investment Balances

Bank and investment balances are carefully monitored by the Foundation and are subject to the Foundation's Treasury and Investment Policies. At 30 September 2024, the Foundation had cash at bank of €8.9M (FY2023: €10.25M), short-term investments of €1.89M (FY2023: €Nil) and investments to the value of €4.74M (FY2023: €3.78M).

Treasury and Investment Policies: The Board of the Foundation reviewed its current Treasury and Investment Policies in December 2023. The Board monitors performance of investments and compliance with both policies via regular reporting to both the Board's Investment Committee and the Board itself.

Borrowings policy: The Foundation does not have any bank borrowings.

Restricted and Unrestricted Funds

At 30 September 2024, the Foundation had total funds of €14.27M (FY2023: €11.39M). Restricted funds comprised of funds directed to specific University of Galway projects totalled €12.97M (FY2023: €10.83M). Unrestricted Funds totalled €1.3M (FY2023: €0.56M) including operating funds. The Foundation's reserves are managed in accordance with its Funds and Reserves policy which notes that the Foundation and University have an agreed policy in respect of the drawdown of funds by the University.

The Foundation's closing Operating Reserves are at least equal to the projected net budget for the following 12 month period which is in line with the Funds and Reserves policy.

Looking Forward

Plans and Challenges for FY2025

The Foundation will continue to work closely with a range of organisations and individuals to secure philanthropic funding for University priority projects. A number of specific initiatives are planned in order to strengthen the linkages between the University and its alumni and development functions and the Foundation will support the University's current five year fundraising campaign. The Foundation will continue to actively manage any funds not yet advanced to the University in order to maximise investment returns whilst having due regard to capital protection and liquidity requirements.

for the year ended 30 September 2024

Risks and Risk Management

Principal Risks and Uncertainties

The Foundation has in place a risk register. The directors consider that the principal risks and uncertainties faced by the group are in the following categories:

Economic risk:

The risk of the economic environment having an adverse impact on the ability of current and potential donors to contribute to the Foundation into the future.

Financial risks:

These include investment, liquidity and other financial risks. The group has budgetary and financial reporting procedures to manage these risks. The Board's audit and investment committees monitor compliance with these procedures on an ongoing basis. As the Foundation is funded through investment income, the Board is managing the Foundation's funds in a conservative manner while monitoring all operating costs and procedures to ensure an appropriate cost/income ratio.

Fundraising risk:

Fundraising risk is the risk that the entity will lose the support of its principal or other funders. The group pro-actively manages its relationship with its key funders to ensure that it is protected and actively seeks new funders on an ongoing basis.

Structure, Governance and Management

Legal Structure

Galway University Foundation Company Limited by Guarantee is a registered charity in Ireland. The entity is governed by its Constitution and is controlled by its Board of Directors. Dedicated staff of the University of Galway support the Foundation in a number of areas including accounting and administration.

Best Practice Governance

In 2024, the Foundation complied with the Charities Regulator's Charities Governance Code. The Foundation reviews its compliance with the Code on an ongoing basis. As a controlled entity of University of Galway, the Foundation is currently undertaking a review of the University's new Code of Governance for its subsidiaries which may or may not require changes to Foundation policies. The Foundation continues to monitor evolving corporate governance in the charitable sector.

In accordance with its Constitution, the Foundation is controlled by a Board of Directors who meet at least four times per annum. The Board has the power to appoint additional directors. The Board has a minimum of five members with no maximum limit on membership. Board members include the President of the University of Galway who is an ex-officio member. Other directors include graduates and friends of University of Galway. The Board currently has three sub committees, namely the Investment Committee, the Audit Committee and the Donor Ethics Committee.

Internal controls

The Directors acknowledge their overall responsibility for the Foundation's system of internal control. This system includes financial controls, which enable the Board to meet its responsibilities for the integrity and accuracy of the Foundation's accounting records.

The Board acknowledges their wider responsibility to maintain, review and report on all internal controls including operational as well as financial controls.

Key elements of the internal control system include:

- Board approved policies and procedures are in place to govern processes relating to donations, income, expenditure, treasury, fixed assets and travel and subsistence;
- All operational expenditure is subject to an annual budget approved by the Board. Board approval is required for expenditure above stated limits;
- All policies and procedures are documented and provided to those University of Galway staff who support the Foundation:
- Organisational structure in place with defined roles, responsibilities and segregation of duties; and
- The Audit Committee reports to the Board on all aspects of controls and risks.

for the year ended 30 September 2024

Galway University Foundation Company Limited by Guarantee DIRECTORS' RESPONSIBILITIES STATEMENT

for the year ended 30 September 2024

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland and Statement of Recommended Practice (Charities SORP (FRS 102)), issued by the Charity Commissioners for England and Wales and the Office of the Scottish Charities Regulator.

Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the group as at the financial year end date and of the surplus or deficit of the group for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the group's financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group will continue in business; and
- observe methods and principles in Charity SORP.

The directors are responsible for ensuring that the group keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the group, enable at any time the assets, liabilities, financial position and surplus or deficit of the group to be determined with reasonable accuracy and enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014 and enable the financial statements to be readily and properly audited. They are also responsible for safeguarding the assets of the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT

to the Members of Galway University Foundation Company Limited by Guarantee

Report on the audit of the financial statements

Opinion

We have audited the financial statements of Galway University Foundation Company Limited by Guarantee ('the Group'), for the year ended 30 September 2024, which comprise Consolidated Statement of Financial Activity, the Consolidated Statement of Financial Position, the Company Statement of Financial Position, the Consolidated Statement of Changes in Equity, the Consolidated Statement of Cash Flows, and notes to the Company and Group financial statements, including the summary of significant accounting policies set out in note 2. The financial reporting framework that has been applied in their preparation is Irish law and FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland issued in the United Kingdom by the Financial Reporting Council (FRS 102) and Statement of Recommended Practice (Charities SORP (FRS 102)), issued by the Charity Commissioners for England and Wales and the Office of the Scottish Charities Regulator.

In our opinion:

- The financial statements give a true and fair view of the assets, liabilities and financial position of the Company and the Group as at September 30 2024, and of the Group's surplus for the year then ended;;
- The Group financial statements have been properly prepared in accordance with FRS 102 and Charities SORP;
- The Company financial statements have been properly prepared in accordance with FRS 102 and Charities SORP as applied in accordance with the provisions of the Companies Act 2014; and
- The Company and the Group financial statements have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the Company and the Group in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's and the Group's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITOR'S REPORT

to the Members of Galway University Foundation Company Limited by Guarantee

Other Information

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014

In our opinion, based on the work undertaken in the course of the audit, we report that:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements:
- the directors' report has been prepared in accordance with applicable legal requirements;
- the accounting records of the Company and the Group were sufficient to permit the financial statements to be readily and properly audited; and
- the financial statements are in agreement with the accounting records.

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit of the Company and the Group.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the Company and the Group and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

The Companies Act 2014 requires us to report to you if, in our opinion, the requirements of any of Sections 305 to 312 of the Act, which relate to disclosures of directors' remuneration and transactions are not complied with by the Company and the Group. We have nothing to report in this regard.

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement set out on page 9, the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company and the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or the Group or to cease operations, or has no realistic alternative but to do so.

INDEPENDENT AUDITOR'S REPORT

to the Members of Galway University Foundation Company Limited by Guarantee

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Irish Auditing and Accounting Supervisory Authority's website at: http://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description_of_auditors_responsibilities_for_audit.pdf. This description forms part of our auditor's report.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the group's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the group's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the group and the group's members, as a body, for our audit work, for this report, or for the opinions we have formed.

1. GENERAL INFORMATION

Galway University Foundation Company Limited by Guarantee (Galway University Foundation CLG) is a company limited by guarantee and does not have a share capital. The company was incorporated in the Republic of Ireland and is a registered charity (CRA 20038823). The address of the registered office is Gate Lodge, University Road, Galway. The principal activity for which the group is established is engaging in fundraising activities for the purposes of the furtherance of education and research carried out by University of Galway, in its pursuit of education, teaching and research.

The consolidated financial statements comprising the Consolidated Statement of Financial Activity, the Consolidated Statement of Financial Position, the Company Statement of Financial Position, the Consolidated Statement of Changes in Equity, the Consolidated Statement of Cash Flows and the related notes constitute the consolidated financial statements of Galway University Foundation CLG for the financial year ended 30 September 2024.

The financial statements have been presented in Euro (€) which is also the functional currency of the group and rounded to the nearest Euro.

In order to provide information relevant to understanding the stewardship of the directors and the performance and financial position of the charity, Galway University Foundation CLG has prepared its financial statements in accordance with the formats provided for in the Charities SORP.

As permitted by section 291(3)(4) of the Companies Act 2014, the Group has varied the standard formats specified in that Act for the Statement of Financial Activities, the Statement of Financial Position and the Statement of Cash Flows. Departures from the standard formats, as outlined in the Companies Act 2014, are to comply with the requirements of the Charities SORP and are in compliance with Sections 4.7, 10.6 and 15.2 of the Charities SORP. The Company has taken advantage of the exemption available to it under section 304 of the Companies Act 2014, which permits a company that publishes its company and group financial statements together not to present its own statement of financial activities and related notes.

2. ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the group's financial statements.

Statement of compliance

The financial statements of the group for the year ended 30 September 2024 have been prepared on the going concern basis and in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (FRS 102). The financial statements have also been prepared in accordance with the Statement of Recommended Practice (SORP)(FRS 102) "Accounting and Reporting by Charities".

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention except for certain financial instruments that are measured at revalued amounts or fair values, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for assets The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland and the Statement of Recommended Practice (Charities SORP (FRS102)) as published by the Charity Commission for England and Wales and the Office of the Scottish Regulator which is recognised by the UK Accounting Standards Board (ASB) as the appropriate body to issue SORPs for the charity sector in the UK. Financial reporting in line with SORP is considered best practice for charities in Ireland. As noted above, the directors consider that the adoption of the SORP requirements is the most appropriate accounting to properly reflect and disclose the activities of the organisation.

Income

All income is included in the Statement of Financial Activities when the group is entitled to the income, the amount can be measured with reasonable accuracy and receipt is probable. The following specific policies are applied to particular categories of income:

Donations and legacies: Voluntary income including donations, gifts and legacies are recognised where there is entitlement, receipt is probable, and the amount can be measured with sufficient reliability. Such income is only deferred when the donor specifies that the grant or donation must only be used in future accounting periods or the donors have imposed conditions which must be met before the charity has unconditional entitlement.

Fundraising income is credited to the Statement of Financial Activities in the year in which it is receivable by the group.

Investment Income: Income earned on funds held on deposit or in short-term or long-term funds is treated as income and is credited when earned.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred and is recorded as part of the expenditure to which it relates. Cost of raising funds comprises the costs associated with attracting voluntary income

Expenditure on charitable activities are those costs incurred by the charity in the delivery of its services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity. Where costs cannot be directly attributed, they have been allocated in proportion to estimated benefits received.

Support costs arise from those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include finance, ICT, administration, legal and compliance fees. Costs are charged to each service and activity in proportion to expenditure, which is considered to reflect estimated benefits received. Costs are not allocated to restricted or unrestricted funds.

Financial Instruments

Financial assets - initial recognition:

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs.

Investments in the share capital of group companies are treated as non-monetary investments and are shown at cost less provision for permanent impairment, if required.

Cash and cash equivalents are included in the statement of financial position at cost. Cash and cash equivalents comprise cash at bank and in hand and short term deposits with a maturity up to three months.

Subscriptions made to the Seed and Early Stage Equity Funds are expensed as incurred as these subscriptions are viewed as being contributions to the innovative business community, in support of the University of Galway's strategy in this area. Returns earned from these funds will be recognised as income if and when received.

At the end of the reporting period, if the fair value can be measured reliably, the investments are measured at fair value through the Statement of Financial Activity.

Income from fixed assets, together with any related tax credit, is recognised in the Statement of Financial Activity in the year in which it is receivable.

continued

for the year ended 30 September 2024

Provisions

A provision is recognised in the statement of financial position when the group has a present obligation (either legal or constructive) as a result of a past event, and it is probable that a transfer of economic benefits will be required to settle the obligation. Provisions are measured at the directors best estimate of the expenditure required to settle the obligation at the statement of financial position date and are discounted to present value where the effect is material.

A contingent liability is not recognised but is disclosed where the existence of the obligation will only be confirmed by future events or where it is not probable that an outflow of resources will be required to settle the obligation or where the amount of the obligation cannot be measured with reasonable reliability.

Related Party Transactions

Related party transactions are disclosed in accordance with FRS 102 section 33 - Related Party Disclosures.

Tangible Fixed Assets and Depreciation

Tangible Fixed Assets are stated at cost, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost of equipment, less their estimated residual value, over their expected useful lives as follows:

Office Equipment

- 33.33% Straight Line

The carrying values of tangible assets are reviewed annually for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Intangible Assets

Intangible Assets are valued at cost less accumulated depreciation. At each reporting date the directors consider the impairment of the software costs, any impairment charge is recognised in the Statement of Financial Activity.

Financial assets

Investments held as non-current assets are stated at cost less provision for any permanent diminution in value. Income from other investments together with any related withholding tax is recognised in the income and expenditure account in the year in which it is receivable.

Current asset investments are stated at the lower of cost and net realisable value.

Trade and other debtors

Trade and other debtors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

Short-term Investments

Short-term investments are included on the Statement of Financial Position at their fair value. Investments are classified as current assets on the Balance Sheet as they can be converted to cash within three months.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the Statement of Financial Position bank overdrafts are shown within Creditors.

Trade and other creditors

Trade and other creditors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

The Foundation and University have an agreed policy in respect of the drawdown of funds by the University. Following the receipt of donor funds, an authorised drawdown request from the University and approval by the Board of the Foundation, the requested amount is transferred from Restricted Funds to Creditors.

Taxation

Galway University Foundation CLG is a registered charity (CHY number 12894) and is exempt from Corporation tax.

continued

for the year ended 30 September 2024

Foreign currencies

Foreign currency transactions are initially recognised by applying to the foreign currencies amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

Monetary assets and liabilities denominated in a foreign currency at the Statement of Financial Position date are translated using the closing rate. The resulting exchange differences are dealt with in the Statement of Financial Activity.

Charity's funds

Restricted Funds: Restricted funds are funds received which can only be used for particular purposes specified by the donors and are binding on the group. Such purposes are within the overall aims of the group.

Unrestricted Funds: Unrestricted funds are those which are expendable at the discretion of the group in furtherance of any of the objects of the charity. If part of an unrestricted fund is earmarked for a particular project, it may be designated as a separate fund, but the designation has an administrative purpose only, and does not legally restrict the group's discretion to apply the fund.

Designated Funds: Designated funds consist primarily of funds which have been allocated towards the funding of the group's operating activities and/or in support of the Foundation's Charitable objectives and may be utilised at the discretion of the Board for those purposes.

Basis of consolidation

The consolidated financial statements include the financial statements of the holding company and its subsidiary company made up to 30 September 2024.

3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

Management are required to make judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Going Concern

The directors have prepared budgets and cash flows for a period of at least twelve months from the date of the approval of the financial statements which demonstrate that there is no material uncertainty regarding the company's ability to meet its liabilities as they fall due, and to continue as a going concern. The key judgement applied in the preparation of budgets and cash flows is that considering the analysis above of financial performance pg. 4, the service level agreement between the Foundation and the University in which the University has effectively agreed to underwrite the costs of the Foundation in the event that it is unable to meet its own operating expenses, the positive interest rate environment, and the reserves held by the charity, the Board has a reasonable expectation that there are adequate resources to operate within its current cash flows and reserves for the foreseeable future. Therefore, the Board continues to adopt the going concern basis of accounting in preparing the annual financial statements. Accordingly, these financial statements do not include any adjustments to the carrying amount and classification of assets and liabilities that may arise if the company was unable to continue as a going concern.

The directors consider that apart from the accounting policies above, there are no other accounting estimates and assumptions which are required to be disclosed.

The listed investments are measured at market value with gains or losses recognised in the Statement of Financial Activity. The market value of the above listed investments is consistent with the above net book value at the year end. In the opinion of the directors, the group's listed investments are worth at least the amount at which they are stated in the Statement of Financial Position.

The group own 100% of Galway University Foundation Inc. a company incorporated in the United States of America. Galway University Foundation Inc. is a not-for-profit organisation that provides support for various aspects of the University of Galway. At the end of the year, the aggregate capital and funds of the company amounted to US\$937,851 (FY2023: US\$1,250,997).

Unlisted investments are carried at cost less impairment because their fair value cannot be measured reliably.

In the opinion of the directors, the shares of the company's unlisted investments are worth at least the amount at which they are stated in the Statement of Financial Position.

The Foundation and University have an agreed policy in respect of the drawdown of funds by the University. Following the receipt of donor funds, an authorised drawdown request from the University and approval by the Board of the Foundation, the requested amount is transferred from Restricted Funds to Creditors.

The designated funds relate to the funding of the group's operating activities and/ or the support of its charitable objectives.

The unrestricted funds consist of donor funds which may be applied to University related projects at the discretion of the directors.

The Foundation has transferred €56,337 of designated funds to certain restricted funds in support of University projects.
